Notes for Applicants

As the post for which you are applying involves substantial opportunity for access to children, it is important that you provide us with legally accurate answers.

Up-front disclosure of a criminal record may not debar you from appointment as, under our policy on Safer Recruitment, we take into account the nature of the offence, how long ago and at what age it was committed and any other relevant factors. Please submit information in confidence enclosing details in a separate sealed envelope which will be seen and then destroyed by the Bursar. If you would like to discuss this beforehand, please telephone in confidence to the Bursar for advice.

Please disclose any unspent convictions, cautions, reprimands or warnings. Please note that the amendments to the Exceptions Order 1975 (2013) provide that certain spent convictions and cautions are 'protected' and are not subject to disclosure to employers, and cannot be taken into account. Guidance and criteria on the filtering of these cautions and convictions can be found at the Disclosure and Barring Service website www.gov.uk/dbs. You should be aware that the School will institute its own checks on successful applicants for short listing or prior to appointment with the Disclosure and Barring Service along with other appropriate checks and, by signing this form, you are giving permission for these to be carried out.

Failure to declare any convictions (that are not subject to DBS filtering) may disqualify you for appointment or result in summary dismissal if the discrepancy comes to light subsequently.

Applicants who have lived or worked overseas for 3 months or more within the last 10 years will be required to submit the original of a police clearance certificate from the relevant country(ies) prior to confirmation of any employment offer. See the School's policy on Safer Recruitment.

DATA PROTECTION. The information collected on this form will be used during the recruitment process, and if you are successful will be added to your employee record. If you are unsuccessful, the information will be retained for six months following the completion of the recruitment process after which all details or papers relating to your application will be securely destroyed. For further information on how we use your information and who we may share it with, please refer to the Privacy Notice for Staff which is available on our website.

I understand that the information given about me may be held manually and electronically and under the terms of the Data Protection Act will be treated in a secure and confidential manner.

I understand that the School's policy on Safer Recruitment requires that any offer of employment and this application will be subject to satisfactory completion of a number of checks and I give my permission for these checks to be carried out at any time and that employment at the School is always conditional upon satisfactory adherence to the School's safer recruitment processes and Staff Code of Conduct. I understand that references, including from my current employer, may be taken up at any time before or after interview unless I have indicated to the contrary on page 4.
